

# HP Scalable NAS solutions for Oracle, a perfect combination

Please join IIS and Hewlett-Packard for an informational workshop, and walk away understanding how an HP StorageWorks EVA4400 Scalable NAS solution can reduce cost and complexity, while delivering higher levels of performance and availability for your Oracle environment.

## **Agenda:**

- Introduction
- Don Sullivan, HP – Oracle Technical Specialist
- Risk Mitigation from IIS and HP
- Flip video camera giveaway

Wednesday, May 27<sup>th</sup> 9:00am–10:30am  
Hewlett-Packard  
8<sup>th</sup> Floor – Park Avenue Conference Room  
2 Penn Station  
New York, NY

Please R.S.V.P. to Susan Signet at 516.396.6700 or [ssignet@iisl.com](mailto:ssignet@iisl.com). Breakfast will be provided.
